## **B.E.S.T. Summer Special Suction Regulator Program**

Now through August 31, 2016

### **Suction Regulator Performance Inspection**

During our Performance Inspection, we assure:

- **Manufacturer's specifications will be adhered to**
- **Units will be checked for internal leaks**
- **Units will be lubricated**
- **Units will be cleaned (NOT STERILIZED)**
- **Filters will be replaced as needed**
- **Timing will be adjusted**
- **Regulator flow will be checked and adjusted accordingly**
- **Customer will be advised if any additional services/parts are needed to bring to manufacturer's specifications**
- **ALL REPAIRED UNITS WILL HAVE A 90-DAY WARRANTY**

Regular Price ~~\$89.00~~ **Now \$75.00\***

(\*Minimum of 3 Suction Regulators)

### **New or Refurbished Suction Regulators**

#### **Refurbish Units to Manufacturer's Specifications**

**Ohio/Ohmeda**

**Amvex**

**Boehringer**

**Chemetron**

**Oxequip**
